# Slitherlink template

3x3 Example with a Red Path
In a 3x3 grid, the nodes are numbered 0 to 15, row by row. Here we draw a path that loops through the middle: `(5, 6, 10, 9, 5)`.

Slitherlink template

This document contains a template for typesetting Slitherlink instances and solutions.

Standard 6x6 Example (Default)

1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30
31	32	33	34	35	36

Smaller 3x3 Example (Custom size)

Here we use `rows: 3` and `cols: 3`.
